### "WSU Vancouver Is..." Campaign

[Project URL](#)

*Web Development Team, Spring 2024*

A recruitment and development campaign for Washington State University Vancouver

- Collaborated with a team to produce the campaign website that includes an in-browser game, images, animations, and three separate webpages
- Followed Washington State University brand guidelines
- Worked collaboratively with 23 people across three other teams, including a design team, a video game development team, and content creators to maintain campaign cohesion

### KOUG Radio Website

[KougRadio.org](http://KougRadio.org)

*Station Manager, Spring 2024*

An overhaul of Washington State University Vancouver's radio station's website

- Developed a seven-page website single handedly
- Utilized WordPress and BlueHost to create and host the site
- Maintained and updated the website over the course of several months

### Salmon Creek Journal Digital Edition

<https://drc-wsuv.org/ksickles22/Salmon-Creek-Journal-Digital-2022/>

*Project Manager, Fall 2022*

The first digital edition of an established art journal at Washington State University Vancouver

- Ideated a project that allowed a previously analogue journal to become digital
- Led and managed a group of six web developers, designers, and marketers
- Coalesced various wireframes and ideas into one final product
